

The Sole Proprietor offers private parties a balance of comfort and class – along with seafood that’s so good the restaurant has not only been voted the Best Seafood Restaurant in Central Massachusetts in all local reader polls for more than 30 years.

The Sole Proprietor is a Worcester dining institution, a gathering place for everyone from local politicians to business owners, downtown workers and students from nearby colleges, neighboring patrons and diners who come in from Worcester’s suburbs.

The Sole regularly garners four-star reviews and frequent awards, but it’s not just the food that’s special. The restaurant was designed to be elegant, yet intimate. Different areas of the restaurant can be divided into function rooms, so you can host your event privately and comfortably, whether you’re hosting a party of 10 or a group of 36.

Whether you’re planning a bridal shower, a rehearsal dinner, a graduation* or birthday party, a reunion with classmates or old friends, or a corporate event, The Sole is the ideal venue. So why not share the freshest seafood you can find with your family, friends or business associates?

Find out why people not only come to The Sole for their special occasions and private functions, but come back again and again.
